Request for Permission to Contact

Permission is requested for the writer to contact

██████████ specializes in  
drugs and chemicals and related equipment to be used in the event of  
Soviet bombing attacks in the United States. According to

██████████ has a great many devices and chemicals which could conceivably be  
of interest to this Agency and has stated that she will arrange for the  
writer to meet with ██████████ with the necessary protection.

██████████ holds a Top Secret  
██████████ is based on a full field investigation conducted  
██████████ which was entirely satisfactory and with  
no derogatory information shown. ██████████ present residence is

It will be appreciated if clearance for the writer to contact  
██████████ could be handled on an expedite basis.

This contact will have to be made at least at the Secret level  
since the writer proposes discussion of certain types of chemicals,  
drugs and related equipment that bear on the Artichoke work.

A ██████████
